To Potential Farm & Food Care PEI Members,

Farm & Food Care PEI (FFCPEI) is a coalition of farm families, food processors, restaurants, food retailers, agribusinesses, and other food partners working together to tell the story of PEI's food – from production to consumption. PEI boasts excellent food brought to residents and visitors by a myriad of incredible individuals that are passionate about providing us with safe, healthy, and delicious food. Together we provide credible and accurate information on food and farming on PEI.

We welcome you to join us by becoming a member of FFCPEI! Your membership will help FFCPEI continue to connect people to the food they eat and to the individuals, families, and food partners that work together to produce our local food. PEI food is healthy, is grown responsibly, and is produced by people who care deeply about their land, their animals, and this beautiful Island as a whole. With less than 3% of Canadians having a direct link to agriculture, it makes sense that consumers have questions about their food and how it is produced. Please see attached membership options.

Be a part of FFCPEI's efforts to share the story of PEI's food with consumers by joining us today!

If you have any questions about FFCPEI and what we do, feel free to take a look at our website (www.FarmFoodCarePEI.org) or contact us directly by phone at 902-368-7289 or by email at sbeaton@peifa.ca.

Sincerely,
