

Do you know a great Agricultural Advocate?

Farm & Food Care recognizes PEI “Champions” who work to tell agriculture’s story.

The “Food & Farming Champion” Award is presented to individuals, organizations or businesses who have taken the initiative to engage with consumers in a conversation about food and farming in PEI. Nominees are individuals who are passionate about food and agriculture and are proud of our industry – they use their skills to share their stories and provide consumers with accurate information about agriculture and food production.

Nominations are to be submitted to Farm & Food Care PEI by March 31, 2022. The selection committee will choose a winner from the nominations and the award recipient will be honored.

- Nominations are open to any who have taken an active role in promoting food and farming.
- Nominations will be accepted from all farmers, food partners, commodity groups, and members of the Farm & Food Care Steering Committee. Steering Committee members, however, are not eligible for nomination.
- You may nominate more than one individual, organization, or business.
- A panel will select the award winner(s).
